GUARANTEE

No: R01/04/1315

Raptor Manufacturing guarantees that all components supplied are free of defect and will remain free of defect or rust for a period of ten years from date of installation.

All installations are guaranteed for a period of five years from date of installation.

Terms and conditions/exclusions.

Installations on the beachfront up to a distance of one thousand meters (1km) are guaranteed for one year from date of installation. (This is an extreme environment due to the chloride content in the atmosphere.)

Installations within ten thousand meters (10km) of the one thousand meter mark (11km) from the beachfront are guaranteed for five years from date of installation.

All fencing that has been painted, powder coated or has had any other type of coating applied over the hot dipped galvanized surface of the fencing is not covered by this guarantee.

The guarantee does not cover any modifications to the fencing or installation undertaken by any other person or company. (Raptor Manufacturing will issue a new guarantee with all its alterations and modifications.)

The guarantee does not cover any damages whatsoever caused to the fencing or the installation.

The guarantee does not cover subsiding soil conditions due to settlement of land, soil erosion, wind erosion etc.
